

ELEMENTARY SCHOOL PRESENTATION OPTIONS

For a **\$400 investment**, select from **two inspiring options**: a captivating all-school assembly or an intimate private classroom visit. **Both choices can feature a live reading of our latest children's book, "Moxie Makes a Difference."**

Option 1: All school Assembly Katie will share her personal journey, emphasize the significance of service dogs, and offer insightful education about disabilities. Students will have the chance to witness Moxie's helpful skills, learn about various support dog types, and engage in a Q&A session, depending on the venue's arrangement. The presentation will focus on promoting acceptance, fostering hope, emphasizing perseverance, and embracing the power of kindness.

All school assembly ADD ON OPTION

Classroom Visits - Additional \$100 (Requires Option 1)

Provide your students with a more personal encounter by inviting Katie and Moxie to visit individual classrooms following the assembly. Students will enjoy meeting Moxie up close, ask further questions, and receive a complimentary activity book with a collectible trading card of Moxie.

Option 2: Private Classroom Presentation ONLY

For an exclusive educational experience, opt for private classroom presentations that include all elements of Option 1 without additional expenses! With the live book reading option and valuable lessons on service dogs and disabilities, each student will also receive a free activity book and collectible trading card as a memorable keepsake of their time with Katie and Moxie.

Looking for a customized experience? Reach out to Katie Harris at adventureswithmoxie@gmail.com to discuss various options.

We are committed to collaborating with you on a program tailored to your specific needs and budget.
